WARNING
SATIRE

" The dangers of arbitrary and inconsistent viewpoint censorship are only increased when enforced by police states masquerading as democracies using opaque procedures that fall woefully short of due process and are insensitive to local context, including sarcasm, lampooning, humour, satire and parody."

JUSTIN TRUDEAU BELIEVES IN DEMOCRACY

ANDREW SCHEER WILL RESTORE FASCISM

SITUATION	Under Justin Trudeau	Under Andrew Scheer
Incestuous inbreeding is weakening the national's intellectual and physical genetic integrity.	Continue incest as a Criminal Code offense; provide social supports for the offspring.	Sign them all up as Conservative party members.
President Trump is dumping unwanted refugees at our southern border.	Treat them with compassion and detain them until they have been fully screened.	Use as a wedge issue to monger fear among white supremacists. Treat them as subhuman.
Climate change is a looming threat to our very survival.	Implement a carbon tax, as recommended by Nobel Prize-winning economists.	Global warming is a hoax. Do nothing but kick, scream and bitch about carbon taxes.
Corporations use loop-holes and offshore banks to avoid paying taxes.	Close loop-holes and have Revenue Canada agents examine Canadian offshore bank records to assess appropriate taxes.	Follow Trump's lead and reduce taxes on the wealthiest while cutting services and raising taxes on the middle class.
Pharmaceutical companies are gouging Canadians on prescription drug prices.	Institute a national PharmaCare Drug Plan to regulate prescription drug prices in Canada.	Continue to battle on behalf of the big drug companies to charge whatever they want.
Some agents in our national security apparatus are abusing their positions to provide support for partisan political ends.	Fire everyone who abuses their position of trust for partisan political purposes.	Scapegoat some hapless schmuck and keep using federal data to further the goal of electing Conservatives, by any and all means possible.
Police in Canada have a de facto cannabis monopoly.	Legalize simple possession; Allow provinces to control it like alcohol.	Recriminalize all possession and restore the old 'copopoly,' the police monopoly over marijuana.
